

What God Knows about You

“You number my wanderings; Put my tears into Your bottle; Are they not in Your book?” - (Psalm 56:8 NKJV)

Scientists now tell us that we never forget anything. It is estimated that in a lifetime, the human brain can store one million billion bits of information. I have a hard time believing that, because it seems like I forget a lot. Yet there have been times when certain things have triggered memories that go back so many years, and I am surprised that I can still remember them so vividly.

God remembers everything – at all times. There is never a lapse in His memory. He never forgets someone. God is omniscient, which means He knows everything. God’s knowledge is as eternal as He is. What God knows now, He has always known and always will know. God doesn’t learn new things; He knows them from the beginning. And He doesn’t forget what He has learned like we do. We learn new things, but God never does.

The Bible says that God knows about every little bird that falls to the ground. And not only that, He knows about you. Jesus said, “The very hairs on your head are all numbered” (Matt. 10:30). Now it doesn’t require a lot to number the hairs on my head. But for others, it is a lot more work.

This awesome God who created the universe is interested in you. What bothers you? What concerns you? What brings heartache to you? What brings tears to your eyes? It is of concern to God. So whatever you are facing right now, He knows about it. He is concerned about it. He is aware of the wrongs that are done in our world today. Nothing catches Him by surprise, because He dwells in the eternal realm. He knows the end from the beginning. This all-knowing God loves you. And He welcomes you into fellowship with Him.
